

2010 Photo Contest

DEADLINE TO SUBMIT PHOTOS IS SEPTEMBER 30, 2010

- We're looking for photos that depict the unique and special attributes of the Endless Mountains—things that someone coming to the area would not want to miss on their visit.
- Only photos taken in the Endless Mountains will be eligible (Bradford, Sullivan, Susquehanna, and Wyoming counties).
- Photos need to be submitted in digital format (300 dpi).
- A completed entry form must accompany each photo.
- A photo can only be submitted in one category. The visitors bureau has the option of re-categorizing any photo it feels belongs in a category not chosen by the photographer.
- The Endless Mountains Visitors Bureau reserves the non-exclusive right to use any photo submitted in its publications or other marketing projects.
- Winners will be chosen and notified in October 2010. Grand prize and first place winners will be featured in the 2010 visitors guide.
